

Cheer Your Mood Up with the Help of These *Rick and Morty* Quotes

TV shows and cartoons can influence us just like books. These *Rick and Morty* quotes will make you understand that, the cartoon talks about life in an interesting way. If you haven't watched the show yet, these *Rick and Morty* captions will turn you into a fan of it even before watching it.

Comment: The beauty of science is quite undeniable.

Quote: Sometimes science is more art than science, Morty. Lot of people don't get that.

Comment: Understanding the purpose of life is very important.

Quote: We are created to serve a singular purpose, for which we will go at any lengths to fulfil!

Comment: Mutual understanding in a relationship is essential.

Quote: When two people create a life together, they set aside their previous lives as individuals.

Comment: To look after each other is the feature of society.

Quote: It's society! They work for each other, Morty. They pay each other, they buy houses, they get married and make children.

Comment: Understanding why you are fond of someone is important.

Quote: I don't know, maybe you matter so little that I like you. Or maybe it makes you matter. Maybe I love you.

Comment: Speeches are meaningless without proper actions.

Quote: A speech about politics, about order, brotherhood, power... but speeches are for campaigning. Now is the time for action.

Comment: Don't let the harsh realities keep you away from enjoying life.

Quote: Nobody exists on purpose. Nobody belongs anywhere. Everybody's gonna die. Come watch TV.

Comment: It's wise to enjoy life by staying in the moment.

Quote: I think you have to think ahead and live in the moment.

Comment: Understanding the history behind cultures is necessary.

Quote: Don't get drawn into the culture, Morty. Stealing stuff is about the stuff, not the stealing.

Comment: Wasting your energy thinking about unimportant stuffs is unwise.

Quote: Don't waste your brain on those weirdos, Unity. They're no different from any of the aimless chumps that you occupy.

Comment: Honesty is the most needed virtue in the world.

Quote: You know the best thing you can do for the people that depend on you? Be honest with them, even if it means setting them free.

Comment: Learning to maintain romantic emotions is necessary.

Quote: Your love's value is defined by scarcity. You are highly trained to seek it, and you have no idea how to maintain it.

Comment: Without taking risk, you'll never understand the fun of life.

Quote: To live is to risk it all. Otherwise, you're just an inert chunk of randomly assembled molecules drifting wherever the universe blows you.

Comment: Staying angry at someone intelligent is impossible.

Quote: You can't stay mad at a guy with this amount of talent.

Comment: It feels wonderful to look at old photos.

Quote: All I have are pictures of me and my friends from school.

Comment: Intelligent people try to understand negativity to stay away from it.

Quote: Does evil exist, and if so, can one detect and measure it? Rhetorical question. The answer's yes, you just have to be a genius.

Comment: Taking the right advice from the right person is important.

Quote: I'm not sure you want to take romantic advice from this guy, Morty. His marriage is hanging from a thread.

Comment: Scientists want to change the world for betterment.

Quote: I'm a scientist; because I invent, transform, create, and destroy for a living, and when I don't like something about the world, I change it.

Comment: Knowing your strengths and weaknesses are essential.

Quote: Lemme check my list of powers and weaknesses: ability to do anything, but only whenever I want.

Comment: Maintaining personal life wisely is a sign of maturity.

Quote: Well then get your shit together, get it all together, and put it in a backpack, all your shit, so it's together.

Life can get critical from time to time and that's why we need to watch some cartoons for grown-ups. These *Rick and Morty quotes* are interesting enough to make you watch the show and help you to understand the simplicity of life. You might even start saying some *Rick Sanchez quotes* to cheer others up pretty soon.
