## About me

My name is Aleksandar Nedeljkovic and I'm a Web and Graphic Designer and Frontend Developer. I'm creative easy-going and ambitious designer - developer from Pancevo, Serbia (former Yugoslavia).

I have been crazy about design since I opened Adobe Photoshop for the first time 20 years ago. Ever since then, I've been constantly trying to improve my skills.

Design and Development is my driving passion. Everything in my life is affected by it and life decisions are based upon it. I prefer to design and develop cool websites and well thought graphic user interfaces.
